

**WEEK 4: WHY DO I STRUGGLE  
WITH SIN?**

## **Tough Questions**

Why do I struggle with sin?

Week 4

### **Getting Started:**

Share about a time when you were really excited about something: an event, a new season of life, or a new job. Did that event or season live up to your expectations? Why or why not?

Are you still experiencing the joy of that season, or has it faded? Why? What does that tell you about yourself? About the world we live in?

### **From The Video:**

**We are sinners in need of Jesus Christ as our Savior**

**\_\_\_\_\_, and we are sinners in need of his forgiveness just as much \_\_\_\_\_.**

**The reason Christ had to come and pay our debt is because of what \_\_\_\_\_ did and because of what we will**

**\_\_\_\_\_ until the day He calls us home.**

**You are not as \_\_\_\_\_ or as \_\_\_\_\_ as you think you are.**

### **Questions:**

Since becoming a Christian, what old sinful thoughts or actions have you been happy to leave behind? Which sins have been hardest to leave behind?

Can those around you see the lifechanging work Christ is doing in you?

Why do you think believers still find themselves struggling with sin even after accepting Christ into their lives?

What specific challenges or temptations have you personally experienced in your effort to lead a sin-free life after conversion?

How can the church community support individuals in their journey to overcome sin post-conversion?

How does recognizing our own imperfections post-conversion help us extend grace and understanding to others who are also striving to live righteously?

Answer Key:  
Savior today  
much tomorrow.  
what we did  
will continue to do  
not as strong or as good
